Dear Mr. Love :

Thank you for generously donating the door prizes for the Beaumont Professional Firefighter's Local #399 Sixth Annual Car Show benefitting the Fire Museum of Texas on Saturday, November 9, 2002. I also want to thank you for all the support you gave us in helping to promote the car show. The car show would not have been the success it was without your assistance.

Contributions such as yours have enabled the Beaumont Fire Department to preserve and maintain a collection of historical firefighting equipment that can be viewed and enjoyed for many years to come. In addition, the museum is committed to educating our youth in personal and home fire safety through a "learn by doing" approach in the Fire Safety Activity Center. We are all very proud of the museum and with your support, we can continue our mission.

Once again, thank you very much for your donation. The Car Show was a great success, and would not have been possible without your support.

Sincerely,

Susan Lanning

"A lot of parents have so many stresses in their lives just trying to put food on the table and provide shelter for their children. It is heartbreaking for them when they can't meet their children's other needs. No parent wants to say: 'I'm sorry baby, I can't get your school supplies.' When DESK extends a helping hand they feel such gratitude."

Counselor Adrienne Hebert
Ogden Elementary, Beaumont.

"DESK beneficiaries are so grateful, for the things many of us just take for granted. A few weeks ago, one of our fourth graders came to school without a backpack. Thanks to DESK, we were able to give her a new one, and the student didn't take it off the rest of the day. She wore that red and blue backpack to recess, to lunch, and even to the bathroom."

Counselor Mary Ann Holland
Sour Lake Elementary

"A prominent member of our community came to my office this past year with a \$2,000 donation. He said he wanted to help the students here, particularly children whose families couldn't afford school supplies. I told him about the DESK School Supply Program, what it was doing, and how much his contribution would help. He got tears in his eyes and explained: 'I was one of those students in need.'"

Assistant Principal Michelle Hughes
Buna Elementary

Thank you again for supporting students in need and helping to assure a better future for so many Southeast Texans!

Dear Vesta,

Thanks to all the interviews Clear Channel so generously donated to the 9th annual DESK School Supply Drive, when this year's campaign officially ended July 13, more than \$45,000 had been raised to help bring basic school supplies to Southeast Texas students in need. And, the donations are still coming in!

All DESK sponsors including—MacDonald's, KBMT-Channel 12, Wal-Mart, Coca-Cola, The Beaumont Enterprise, and Community Bank & Trust—are tremendously grateful for your invaluable assistance.

More importantly, Clear Channel's contribution is already making a tremendous difference in the lives of thousands of area children, from kindergarten through middle school and junior high pupils in 23 school districts. Here are just a few examples of how DESK has impacted our classrooms, from the mouths of educators who see the need on a daily basis:

"Seventy-five percent of the students attending West Orange Stark Middle School are considered 'at risk' for dropping out of school. Almost half the student body is enrolled in free or reduced lunch programs. Yet, despite the 'odds'—and thanks to the DESK Program— the majority of our students are excelling in the classroom. Our campus is the first in the school district to achieve 'Recognized' status, based on students' scores on the T.A.S.S. test. In fact, we are very close to being ranked an 'Exemplary' campus by the State. Our students in need know all they have to do is go to Counselor Carolyn Parkhurst's office and ask if they need help with supplies. They also know their names will be kept in strict confidence. I see DESK making a difference in students' lives every semester."

Assistant Principal John Williams

"We've had two families with children in our school that lost everything, in recent years, to house fires. When you stand outside and watch everything you own go up in smoke, you thank God that you are alive. But, Monday morning, your kids have to go to school with nothing but the shirts on their backs. The DESK Program is a real comfort at those times. Kids come in and are worrying about not having paper, pencils or backpacks, and thanks to DESK we can help them immediately."

The 25th Annual Babe Didrikson Zaharias Invitational Golf Tournament was a huge success. We were able to contribute over \$31,000 to the Babe Didrikson Zaharias Foundation.

Dear Mr. Pollard:

Thank you so much for your company's participation in Chevron Phillips Charity Golf Tournament 2002 benefiting Buckner Children and Family Services. We especially appreciate all the publicity you gave us on KLVI, KICKER, BIG DOG 106, MIX 104.5, and COOL 92.5. With your generous support, this year we raised a record breaking \$100,000! Thank you! One hundred percent of this money is used locally to assist the children and families that Buckner provides services to in Southeast Texas.

Buckner is dedicated to the restoration and healing of children and families and has been providing residential and individualized care in Southeast Texas for over 30 years. This dedication and service is the reason Chevron Phillips and its employees have continued to sponsor and support this excellent organization and have set next year's tournament date as **Friday, September 26, 2003. Dear Shon,

One in three girls and one in seven boys in the U.S. will be victims of sexual abuse before they reach age 18. Imagine yourself as a small, shattered child explaining to strangers over and over again about how someone cruelly used you. Garth House opened their doors on June 1, 1991 to give abused children a safe place to go and tell their story. At Garth House, the children have a safe, home-like environment to tell their stories, which are videotaped so investigative agencies can view the tapes instead of repeatedly questioning the children. Abuse can rob children of their childhood. Garth House gives back their dignity. We unite law enforcement, district attorneys and caseworkers in one safe place. ***Teddy bears, kindness, and smiles surround hurting, sad children.***

Garth House also provides long-term counseling to help child victims and their non-offending family members begin the healing process. In the calendar year 2001, Garth House provided long-term counseling to 217 child victims and non-offending family members. Garth House has worked with over 4,400 children and their families, since its opening in 1991. In the calendar year 2001, Garth House interviewed 455 child victims, and facilitated the review of 71 child fatalities. Garth House covers Jefferson, Hardin, Orange, Tyler and 14 surrounding counties. ***The Garth House is dedicated to breaking the cycle of child abuse one child at a time.***

Please accept Garth House/ Mickey Mehaffy Children's Advocacy Program's request for Silent Auction sponsorship. "Pour Les Enfants" our annual fundraiser is a night of a gourmet meal, live and silent auction with approximately 450 patrons. The silent auction is comprised of "theme baskets" displayed in a tent. We are requesting an eye catching, fun, interesting basket involving Big Dog 106, Kicker 95.1, and Cool 92.5. A tag will be attached to the basket identifying the donating business and all items in the basket. It is so important to continue the wonderful community support Garth House has enjoyed for over 11 years, and to grow with new strong sponsors. New sponsors will ensure the success and continued growth of this significant and necessary program for many Southeast Texas Abused Children. We hope you will join Garth House this year as we look into small innocent eyes and know Garth House, and its many sponsors, have made a difference.

On behalf of Boys' Haven we would like to thank you for supporting the Second Annual Firefighters' Celebrity Luncheon. We understand there are many worthy charitable causes, and appreciate your commitment to helping make a difference in these young lives.

Boys' Haven prepares young boys to become independent, responsible, mature men who in turn will contribute beneficially to society. We believe these young boys can grow up to be whatever they want to be. And through events like the Firefighters' Celebrity Luncheon we will be able to further this goal.

Again, many thanks for your incredible support for this event. With your help, we raised over \$1,500 on this event with money still expected to come in from pre-ticket sales.

Together, we can make a difference in a young boy's life.

Dear Larry Crumpton,

Please accept our sincere thank you for your generous promotion and ID kits for our *seventh* annual "Kids Day America/International " event. Our purpose was to educate children and inform parents of the health, safety and environmental issues that affect us as individuals and as a community. We feel we successfully achieved our goal and you helped us to make a difference! Further, we appreciate your attendance at the program. We could not have made the ID cards without your help.

The cooperation we received from individual members and businesses such as yours in our community was overwhelming. It was wonderful to see everyone come together for the benefit of our children!

We look forward to your anticipated support at next year's event.

Yours in health,

Thank you very much for the generous extension of your air time and talents to our efforts to spread our message of recovery and hope. Joe, Rocco and Karen were a little nervous at first, but they had a wonderful time once you warmed them up.

Personally, I have found a joy, satisfaction in life and self-esteem I had never known before through the Fellowship of AA and its 12 steps. Now, I want to continue in my journey by spreading the message to alcoholics who are still out there suffering and dying. I greatly appreciate your willingness to let us "pass it on" on your show.

I will be willing to assist you or any other KLVI, or other Clear Channel, broadcaster or host in finding more alcoholics to share at some other time. Just contact me here :

Wednesday, February 13

9:00 a.m. to 3:20 p.m.

Dear Neil,

I am glad that we had an opportunity to visit recently about our program's plan to bring the UTMB mobile van back to Southeast TX on Wednesday, February 13th from 9:00 a.m. to 3:20 p.m. at Parkdale Mall. We are especially pleased that ATOFINA is participating as our sponsor that day since the company has previously not been involved with our efforts.

As I mentioned, KLVI has previously been very helpful in publicizing this endeavor. Everything the station did for us last October was extremely beneficial and enabled us to establish a banner month and year for our program.

Neil, we hope that you and KLVI will continue providing your generous support. Please call me at 892-8792 to discuss this further so that I can give you any other information you might need.

Dear Jack,

On behalf of Southeast Texas victims of crime, victim advocates, criminal and juvenile justice officials, allied professionals, and community volunteers, we extend a special thank you to you!

During the month of April, various events took place throughout Southeast Texas highlighting the harsh and tragic impact of crime on its victims, while underscoring the critical importance of helping crime victims rebuild their lives. Crime Victim's Rights Week ended with the 12th Annual Candlelight Vigil at the Jefferson County Courthouse "Bringing Honor to Victims" on April 25, 2002.

By heightening community awareness, we promote a greater understanding of crime victims' needs, while educating them of their rights and the resources available to them. We applaud those who dedicated themselves to doing just that!! Our personal thanks goes out to you for having Wanda Grimes of M.A.D.D., Renee Fiddle, victim, and myself, Rhonda O'Neill of Buckner, on your show! It's always a pleasure to work with you and the good folks at Clear Channel Radio and we continue to applaud your commitment to this community.

Dear Vesta:

Thank you for your recent blood donation. According to our records this donation was your first with LifeShare Blood Centers. Congratulations on becoming a blood donor! On behalf of the patients who benefited from your gift, thank you for taking the time to help others.

Vesta, the need for blood and blood products is increasing rather dramatically. Because of this increase please donate on a regular basis. After 56 days from your recent donation you will be eligible to donate whole blood again or give platelets or plasma through an automated procedure called "apheresis". Donating apheresis blood products takes a little more time but these products as with whole blood make a big difference in the health of patients receiving them. If you have not scheduled your next appointment, please do so by contacting us at the local LifeShare Blood Centers office.

Regular donors giving whole blood or apheresis products become members of the LifeShare Gallon Donor program. If you previously have donated elsewhere we would be pleased to contact that blood center and have your donation record transferred to LifeShare. Once the record is transferred, you will continue to accumulate donations toward the gallon mark and receive special recognition gifts for your contribution.

I hope that your donation experience was a pleasant one and that we will see you often as you continue this life-saving process by being a whole blood or apheresis donor.

Thank you again for giving the *Gift of Life*.

Sincerely,

A Member of The Texas State University System

Dear Don Briscoe,

March 25, 2002

Thank you so much for helping the Lamar University Homecoming Committee and our office of University Advancement promote our first ever "Battle of the Bands," on Feb. 15.

Alisa Hicklin, Student Government Association president, as well as faculty and staff proclaimed the event an overwhelming success with more than 1,400 students attending. Hicklin, who is the Lamar mascot, said participation for "Battle of the Bands" surpassed student attendance for any event the university has sponsored in the past four years.

"We have never had participation like this for anything. This is more than five times the students that have even attend our basketball games," she said.

You and your colleagues went the extra mile to assure the success of the event. Not only did you assist with recording our radio spot and plugging the event on K106, your team also met with us to help us reach our target market. The brainstorming session we had with your staff was invaluable.

It is a pleasure to work with a crew that not only gets the job done in a professional manner, but also helps their client enhance their product. Your team helped us spread the word about the "Battle of the Bands" with results beyond our expectations. Big Dog K106 gave us the exposure we needed to pull this off. We could not have been more pleased.

Thank you again for helping us make our 2002 Homecoming memorable. The success of "Battle of the Bands" will probably make for a new tradition at Lamar University.

Sincerely,

Chris Castillo

Dear Larry:

I wanted to take this opportunity to personally thank you and everyone at Clear Channel for your contribution to the success of the Tracy Byrd Homecoming Weekend. Please relay my appreciation to everyone involved.

It was by far the best weekend to date. Not only did all three events have the best turnout we've ever had, but also the weather finally cooperated with us. It was a perfect weekend!

With proceeds from the 2001 Homecoming Weekend events, I am very proud to tell you that we have presented Children's Miracle Network with a check for \$130,000. This makes our two-year contribution to CMN nearly \$200,000. Because of the efforts and support from the Southeast Texas and Southwest Louisiana communities, children with brain disorders or brain injuries will no longer have to travel for their treatments. They will now be able to receive their Low Pressure Hyperbaric Therapy right here at Christus St. Elizabeth Hospital in Beaumont.

I truly appreciate your support. It was a pleasure working with all of you! Together we have been able to make a difference in the lives of children.

Sincerely,

Angela

Dear Jim.

Thanks to your generous support, the Alumni Association's **Giddyup Gala** was a great success. More than 400 podnah's rustled out to the "corral" and boot scooted the night away – raising more than \$25,000 for the association's programs.

Giddyup Gala is one of our most important fund raisers. It allows us to offer programs like the Presidential Scholarship program and LASSO (a student recruiting program). The work of the association supports and is critical to Lamar's commitment to educational success.

We were extremely proud to have your help with the publicity again this year. As usual, Clear Channel's psa spot was awesome and effective! The Alumni Association couldn't exist without your support and guidance. Thank you!

Hope to see you again next year – mark your calendar for the S.S.S. (second Saturday in September)!

With Cardinal Pride,

Martin

Dear Jim,

Thank you for all the "seeds you planted" by your sponsorship of the association's Annual Golf Tournament. Your "harvest" will be reaped for years to come in the many young lives that will be enriched by your generous support of this event.

We fully expect this year's income to be the largest in the history of the tournament and it would not be possible without your generous and quick response to our request! On behalf of the Tournament Steering Committee, the association's board of directors and staff, and our entire membership, please accept our heartfelt gratitude.

Sincerely,

Dear Mr. Bush:

Congratulations! Recently your company (with special mention of Harold Mann) was nominated for a Beaumont Police Department award. The nomination resulted from your company's support to the police and the community over the past year. In addition, Harold Mann has proven himself a most trustworthy person and is truly an asset to your company.

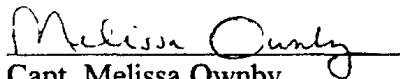

The department's Awards Committee met on Wednesday, January 24, 2001, and reviewed the nomination. It was the committee's unanimous decision to award your company and Mr. Mann with the department's Media Award. You should be extremely proud of this honor.

The award will be presented to you during the Beaumont Police Department's annual awards banquet which will be held at 7 p.m. Friday, March 2, 2001, at the Harvest Club. You and your family will receive an official invitation at a later date. We hope that you and your family will make plans to attend.

Again, congratulations and thank you for your outstanding service.
